

MSCHOA Information Bulletin – posted 05 Jan 1250 UTC

On 03 Jan 17 at 1400 UTC a Landing Craft vessel was attacked in position 1304N 04308E (30nm North of the Bab el Mandeb strait). The source of this attack is currently under investigation, however initial assessments suggest that the attack is a consequence of the ongoing Yemen conflict. Vessels are to remain vigilant and report all suspicious activity to UKMTO at [watchkeepers@ukmto.org](mailto:watchkeepers@ukmto.org) or +44 2392222060.
