

Shipping KPI news – single login available

BIMCO members can now sign in to the Shipping KPI website automatically when logged in to the BIMCO website.

Sign-in process:

1. Log in to BIMCO accounts by clicking “Log in or Register” on orange box on the top of the BIMCO homepage:

2. Go to the Shipping KPI system page on the BIMCO website. You can use this [direct link](#) and bookmark this on your browser for future use.
3. Click on the “Sign-in/Register” blue box on the Shipping KPI System page.

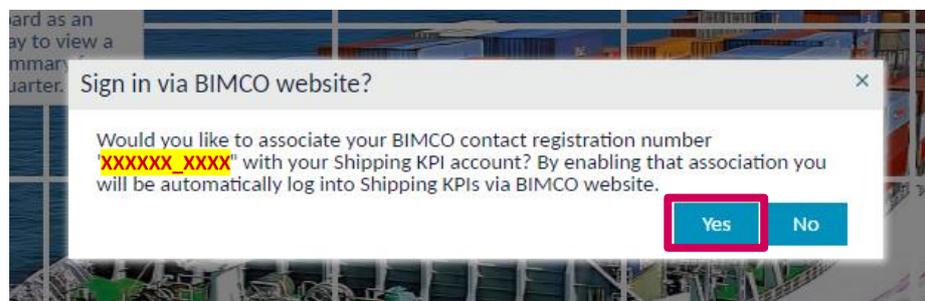

Shipping KPI System

SHIPPING KPIs

What is BIMCO Shipping KPI?

SIGN IN / REGISTER

4. Options for logging in to the Shipping KPI website:
 - a. If you are not yet logged in to your BIMCO account on www.bimco.org then follow the steps above.
 - b. Already logged in to your BIMCO account:
 - i. If this is your first login to the Shipping KPI website through the BIMCO website, you will be asked to sign-in with your KPI login. You will have to confirm “Yes” when the notification appears on the screen shown below. Once completed, it will “pair” your KPI login with your BIMCO contact registration number.

- ii. After you have confirmed you would like to pair your login with your BIMCO and Shipping KPI accounts, when you sign in to your BIMCO account, you will automatically be logged on to your Shipping KPI account and you will be directed to the “My Ships” section on the Shipping KPI website.

Tips:

An alternative way to access the Shipping KPI system page from the BIMCO Homepage without using a direct link is to choose Ships, Ports and Voyage Planning then click on the “Find out more” link, shown in the picture below.
