LARVIKHAVN

# PORT TARIFFS – THE PORT OF LARVIK 2020

(English summary of main prices)

## Information about the price system

---

### DEFINITIONS

This Port Tariffs applies to Harbour Dues, fees and charges for use of the Port of Larvik as well as prices for services carried out by Larvik Port Authority (PoL).

Port regulations are stated in a separate document of general terms and conditions (Norwegian edition only).

Any VAT obligation 25 % is not included in the listed tariffs.

### SECTION 1: HARBOUR DUES

Vessels calling all quays within the Port of Larvik will be subject to pay harbour dues.

The tariff is calculated on the basis of the vessel's gross tonnage (GT) and covers the PoL's costs related to facilitating safety and accessibility in the harbour fairway.

The tariff applies once per call.

### SECTION 2: ISPS-FEES AND WASTE DISPOSAL FEES

ISPS-Fees are payable for all vessels and goods using PoL's ISPS terminals according to the International Facility Security Code (ISPS code).

Waste Disposal Fees are payable to all vessels calling the Port of Larvik whether or not they will be delivering ship-generated garbage to the waste reception facilities.

### SECTION 3: TARIFFS – USE OF PORT INFRASTRUCTURE

This is the price category for all charges regarding use of the PoL's property and equipment:

- Quay charges (section 3.1)
- Cargo charges (section 3.2)
- Passenger charges (section 3.3)
- Crane charges (section 3.4)

### SECTION 4: SALES AND SERVICES

PoL offer's drinking water to vessels and various kinds of services for shipping lines and other port users. See section 4 for prices.

### SECTION 5: BERTHS – LEISURE BOATS AND FISHING VESSELS

See section 5 for prices regarding berths, marinas etc.
