All charges rendered under this tariff accrued to the cargo shall be invoiced to the agent or cargo agent of the vessel. All other charges accrued under this tariff shall be invoiced as specified in individual items or to the party requesting the service. Any request for changes to the above invoicing procedure must be made in writing to the Jacksonville Port Authority, Post Office Box 3005, Jacksonville, FL 32206, or by FAX (904) 357-3010 prior to the service being rendered. If instructions are received after service is rendered there will be assessed a charge per invoice changed as stipulated in rule 31-235 herein. All charges rendered under this tariff must be paid in accordance with this tariff by the vessel's principal, its owner, agent, stevedore, terminal operator, or other responsible person regardless of when that party is reimbursed. All invoices are due and payable within 45 days of the invoice date. Any invoice remaining unpaid 45 days after the invoice date will be considered delinquent. Delinquent accounts will be assessed a late fee at a rate of 1.5% per month calculated from the date of the invoice. Late fees will be calculated on the last day of the month.</p> <p>Material errors or discrepancies on an invoice shall be specifically reported in writing to the, Billing Department, within ten calendar days from the date of invoice. 	the authority to act as FSO where resources allow, with all associated costs incurred by the calling cruise vessel.
(REG) (N)	31-040 <u>CARGO RELEASE</u> The Jacksonville Port Authority is a landlord port and does not accept any responsibility for cargo acceptance for carriage or release, to include any and all gate-out procedures. Gate-out cargo release remains the responsibility of Authority Tenants or other authorized agents with designated authority over cargo.
(REG) (N)	31-045 <u>CLEANING FACILITIES</u> All vessels, their owners, agents, stevedores and all other users of the facilities, shall be held responsible for cleaning of the property which they have been allowed to use, assigned, or leased to them, including adjacent aprons, gutters, roadways, storage areas, etc., upon completion of operations. If such users do not properly perform these responsibilities, in an appropriately timely manner as determined by JAXPORT, JAXPORT shall order the work performed and bill the users responsible at cost plus Thirty Percent (30%) with a minimum charge of \$250.00.
(DEF)	31-050 <u>CONTAINERS</u> Refers to standard length 20-foot, 24-foot, 35-foot, 40-foot, 45-foot, 46-foot, 48-foot or 53-foot seagoing containers, approximately 8' wide, 9'6" high, and the length as specified. Prior arrangements must be made with JAXPORT before seagoing containers having dimensional lengths other than above will be accepted by JAXPORT. The definition of the term "container" further provides that the standard "seagoing container" for the transport of dry, liquid or refrigerated cargo, may be of metal, fiberglass, plastic or wooden construction. However, the container must confine and protect its contents from loss or damage and from the elements and must be susceptible to being handled in transit as a unit. "Wheeled" containers are described as containers, empty or loaded, on own wheels, chassis or flat bed trailer, furnished by owner.
(REG)	31-055 <u>CONTAINERS LOADED IN EXCESS OF RATED CAPACITY</u> Rates, rules, regulations and charges published herein ARE NOT applicable to standard seagoing containers loaded in EXCESS of rated capacity. The terminal will not permit its mechanical equipment (designed for movement or carriage of containers) or its container cranes to be used in any capacity to lift, move or transport a container which is loaded in excess of the container's rated capacity. Should JAXPORT's equipment or crane(s) be used to lift, move, or transport a container which is loaded in excess of the rated capacity, the party or parties, causing such unauthorized use shall be held liable for all losses, claims, demands and suits for damages, including death, and personal injury, court costs and attorney's fees, incidental to or resulting from such unauthorized use.
(REG)	31-060 <u>CONTAMINATED CARGO</u> Cargoes of an objectionable nature or cargoes liable to contaminate other cargoes will be accepted only for movement directly between shipside and cars or trucks, without being floored in warehouses, and no free time will be allowed or allowance made therefore, except as otherwise approved by the Terminal Director. JAXPORT

Jacksonville Port Authority

	reserves the right to refuse the use of JAXPORT facilities and services for cargo it deems harmful, dangerous, objectionable or contaminated, or cargo not meeting federal, state and/or local regulations (see rule 31-290)
(REG)	31-065 <u>CREDIT PRIVILEGES</u> Application for credit should be made at least two weeks in advance to, Finance Department, Jacksonville Port Authority, Post Office Box 3005, Jacksonville, Florida 33206 or email it to accountsreceivable@jaxport.com . Application can be found on our Web Portal or can be requested by emailing accountsreceivable@jaxport.com . Failure to do so may result in cash being required in advance. Credit limits will be established by JAXPORT and exceeding these limits may require a cash payment in advance. At the discretion of JAXPORT, an Indemnity Bond may be required before credit is established. Credit privileges can be withdrawn from any delinquent account at any time at the sole discretion of JAXPORT. Payment of all outstanding invoices, in addition to charges in advance, can be required before further services will be performed or facilities used. JAXPORT reserves the right to refuse the use of JAXPORT facilities and services to any user who is delinquent. Credit may be re-established at the discretion of JAXPORT and will require the filing of a new credit application from the user.
(REG)	31-070 <u>DAMAGE TO FACILITIES</u> All vessels, their owners, their charterers, their agents and all other users of any type of the terminal facilities or equipment, shall be held responsible for any damage to or destruction of the property owned by Jacksonville Port Authority (including, but not limited to, expenses of, damage to, destruction of, repair or replacement of terminal facilities or equipment) resulting from their use, or arising from any acts, omission, neglect or default of vessels, their owners, their charterers and their agents or of all other users. JAXPORT reserves the right to repair, rebuild, contract for repair any damages to or destruction of docks, wharves, warehouses or transit sheds, equipment, rail or shop facilities, water and light facilities and to hold the vessels, their owners, their charterers, their agents and/or all other users responsible for payment. The Jacksonville Port Authority may detain any vessel or water craft responsible for any damage to the facilities until sufficient security has been given for the amount of damage. This provision is subject to rule 31-170 , which is by this reference incorporated herein as if set out in its entirety. Any damage or destruction to JAXPORT property must be reported immediately to the JAXPORT Risk Manager at 904-357-3083 or 904-334-0138 or JAXPORT Public Safety Operations Center at 904-357-3360. Failure to report will result in a 30% markup fee and a 90 day suspension of the parties responsible for the failure to report damage to JAXPORT property.
(REG)	31-075 <u>DAMAGED CONTAINERS</u> Seagoing containers, having damage or variances which may impede normal movement with JAXPORT's mechanical equipment will not be received at point of rest unless prior arrangements have been made with terminal management.
(REG) (N)	31-080 <u>DECK WATCH</u> All vessels, with the exception of barge operations moored at the Jacksonville Port Authority wharves, will maintain a live deck watch and monitor Channel 16 and channels identified via Vessel Security Brief or Declaration of Security with the capability of communicating in English. Vessel deck watch will be subject to radio checks from the JAXPORT Public Safety Operations Center in accordance with approved Facility Security Plans.

(REG)	31-085 <u>DIRECT LOAD OR DISCHARGE</u> Direct load and/or discharge is permitted with prior notification to the Terminal Director and proper coordination with the terminal operator or stevedore.																						
(REG)	31-090 <u>DISPOSITION OF CARGO</u> Instructions regarding disposition of cargo must be provided to JAXPORT at least 24 hours in advance of vessel arrival (see rule 31-200). JAXPORT reserves the right to sell for accrued charges or otherwise dispose of any cargo or merchandise which is unclaimed or refused by consignees, shippers, owners or their agents, after due notice of such unclaimed or refused cargo has been mailed or delivered to known parties.																						
(CHG) (+)	31-095 <u>DOCKAGE</u> Dockage charges will be computed on LOA of vessel as published in Lloyd's Register of Shipping or any similar website or trade publication per the following schedule of vessels; dockage will be based on an initial 24-hour period, regardless if multiple terminals are visited, after which a prorated charge will be assessed based on a 6-hour period or fraction thereof. (REG)	<div>31-145</div> <div>EQUIPMENT RENTAL</div> <div>JAXPORT will provide freight handling equipment or machinery when available, with advance notice as stated in rule 31-200, subject to the conditions and charges set forth in this rule 31-145 and rule 31-140. The party utilizing the equipment will be responsible for accrued charges. Charges for equipment rental will be assessed from the ordered start time to the completion excluding meal hours. Requests for cargo handling equipment must be ordered as early as possible prior to vessel operation start time (see rule 31-200). Applicant agrees that all charges will be paid and that all rules and regulations will be complied with in accordance with this tariff and its reissue. All hourly rates on working equipment, will be subject to a minimum charge of two (2) hours at the applicable rate. Billing thereafter, including standby time, will be assessed in quarter (1/4) hour increments. All equipment rental rates are subject to applicable Florida state sales taxes. Freight handling machinery is presumed to be in good working condition when turned over to the user. JAXPORT shall furnish trained mechanics to make repairs that are brought to JAXPORT's attention caused by mechanical failure. JAXPORT reserves the right to stop the operation of freight handling equipment at any time to make repairs deemed necessary by JAXPORT or due to operator abuse of equipment. NOTE: E-mail notifications cannot be guaranteed as proper advance notification due to internal system security access.

We are currently upgrading JAXPORT's vessel scheduling and billing system. Designed specifically for seaport operations, the new system will be easier and more efficient for everyone.

The new web-based client portal:
Allows agents to:

- submit berth requests electronically (with stored ship specifications)
- update requests prior to vessel arrival
- identify stevedores for each vessel visit

Allows stevedores to:

- submit equipment rental requests
- update requests prior to vessel arrival

It also provides:

- agents, stevedores, and JAXPORT with accurate and timely data
- agents with the ability to view invoices online
- agents and stevedores with the ability to view the status of requests in real time
- more accurate and timely invoicing

The new system will be fully online by **October 1, 2018. Important note: Our new system requires that our Tariff document becomes a primary and integral part of JAXPORT's standard invoicing process (our Tariff document is on our website - www.jaxport.com).**

Please be aware that under the new system:

- all charges rendered under the tariff accrued to the vessel and cargo shall be invoiced to the agent of the vessel
- all other charges accrued under the tariff shall be invoiced as specified in individual items or to the party requesting the service

We plan to implement this tariff standardization beginning July 1, 2018. This will give everyone an opportunity to grow accustomed to the changes and allow for system testing before the full conversion in October.

Please make note now of the changes that will directly affect you, take advantage of upcoming training opportunities we will communicate soon and be sure to provide feedback to us during this transition period.

Each of you is an important partner in JAXPORT's growth and success. We appreciate your assistance as we harness today's technology to the benefit of all.

TWIC ESCORTS

The Jacksonville Port Authority (JAXPORT) is subject to seaport security standards, procedures and requirements imposed by federal regulation, state law and Authority policy. As such, it is the policy of the Authority to strictly enforce access control requirements.

JAXPORT reserves the right to provide escort services for non-TWIC holders; with approved business purpose on port property within the port's designated secure and restricted areas. Custody and responsibility for authorized visitors subject to this policy may be transferred to an authorized 33 CFR Part 105 regulated Tenant or designated official within their leased area for the complete time period of each visit. The Director of Public Safety and Security or Designee is authorized to consider individual cases which do not compromise the intent of this tariff item, violate federal or state laws, or increase risk. The authorized TWIC escort must continuously remain side by side with the non-TWIC person in a manner sufficient to observe whether the escorted individual is engaged in activities other than those for which escorted access was granted.

Any JAXPORT Tenant operating with an approved 33 C.F.R. Part 105 security plan that desires to sponsor a third-party private TWIC Escort shall provide written authorization via JAXPORT Registration Form to the JAXPORT Manager of Access Control. The written authorization must include and establish a business purpose for entry into JAXPORT Restricted Access Areas. Regulated Tenant Facilities and or sponsored third party TWIC escort services assume responsibility and liability for any security breach occurring during escorts to and from the Tenant Facility's leased area. The authorized TWIC escort must continuously remain side by side with the non-TWIC person in a manner sufficient to observe whether the escorted individual is engaged in activities other than those for which escorted access was granted.

All authorized personnel conducting escorts of Non-Transportation Worker Identification Credential (TWIC) holders must be approved and identified by JAXPORT. JAXPORT reserves the right and authority to remove escorting privileges for any individual and or company operating on JAXPORT.

All Non-TWIC escorts conducting Cargo operations must wear a High Visibility Personal Protective Vest.

All authorized Third Party TWIC Escorts conducting cargo escorts of Non-Transportation Worker Identification Credentialed person(s) must meet the insurance requirements listed in Tariff 31-160.

Such situations include, but are not limited to, the following:</p> <ul style="list-style-type: none"> • when a potential natural disaster such as a hurricane, tornado, earthquake, or flooding, makes the continued presence of the vessel a threat to the vessel and/or JAXPORT's facilities; equipment or personnel; • when the berth is committed to others under a preferential berth arrangement or other agreement; • when the vessel's cargo or other items represent a hazard to other vessels, cargo, personnel or facilities; • when the vessel refuses to work continuously to completion of its loading and/or discharge (see rule 31-475); • when a vessel is performing shipyard type maintenance repair; or • for any other reason determined by the Terminal Director to protect the interests of JAXPORT. <p>JAXPORT shall provide written notice (administrative message, facsimile transmission, e-mail, etc.) to the steamship line and/or the vessel agent advising of the requirement to vacate. The notice shall state the time that the berth must be vacated and shall be presented at least four hours prior to said time. If a vessel fails to promptly vacate as ordered, it shall be responsible for any damage or expense which may be incurred by JAXPORT or others as a result of such failure to vacate. JAXPORT shall have the option, but not the duty, of moving the vessel to another location of its choosing, at the sole risk and expense of the vessel. If such movement occurs, the vessel shall hold JAXPORT harmless for any damages or liability it may incur as a result of such movement (see rule 31-015). Refusal to vacate may result in denial of future berthing privileges at JAXPORT facilities. For penalty charges, see rule 31-270.</p>

(DEF)	<p>31-470</p> <p><u>WHARFAGE</u></p> <p>Wharfage means the use of wharves in the receiving and delivering of cargo to ships, barges, or other watercraft while lying alongside the wharf properties of JAXPORT, including cargo received or delivered to barges, lighters, or other watercraft lying alongside of such vessels, or taken from or delivered to the water. One wharfage charge is assessed against the vessel for each movement of cargo over the wharf. All cargo received on or off the terminal is due wharfage. Wharfage will be collected on the cargo whether or not it is loaded aboard a vessel. JAXPORT reserves the right to determine billing classification of all cargo. For wharfage charges by cargo type, see rule 31-455.</p>
(REG)	<p>31-475</p> <p><u>WORK TO COMPLETION REQUIREMENT</u></p> <p>Any vessel which is accepted for berthing at JAXPORT facilities may be required to work continuously to <u>earliest possible completion</u> when the berth assigned to the vessel is declared to be congested by the Terminal Director. Any additional incurred charges as a result of this rule will be for the vessel's account. Any vessel in berth which refuses to work continuously to completion shall be ordered to immediately vacate the berth (see rule 31-435) by the Terminal Director or his/her appointed designee. If a vessel loses its right to a berth by refusing to work continuously to completion, such vessel will forfeit its turn at the berth assigned and go to the bottom of the list of vessels that are assigned to the berth or terminal. Failure to vacate berth in accordance with this rule will subject vessel to penalty charges (see rule 31-435).</p>
